About Us ■

Who is HELPS?

Highly Effective Latam Protection Services (HELPS) is a distinguished security conglomerate specializing in **Executive Protection (EP), Secure Transportation (ST), Corporate Investigations (CI), Protective Intelligence (PI), Risk Management (RM), and Crisis Support (CS)** across Latin America.

Why Choose Us?

We are your **trusted security** vendor on the ground to support your operations in **Latin America** (LATAM) with skilled, vetted, and experienced personnel; our short and long-term security operations comply with industry standards, fulfill our client's needs in a timely fashion, and at a reasonable cost; we deliver Highly Effective Latam Protection Services.

■ Areas of Operation

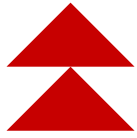

We are your **Security Experts** on Latam

We aim to become your reliable - destination-specific - partner; we offer **white-label** service for your operations in every Latin American and Caribbean country.

Argentina, Brazil, Bolivia, Chile, Colombia, Costa Rica, Ecuador, El Salvador, Guatemala, Guyana, Honduras, Mexico, Nicaragua, Paraguay, Puerto Rico, Peru, Uruguay, Trinidad & Tobago and Venezuela.

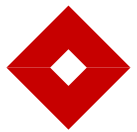

With headquarters in ECUADOR, offices in PERÚ, CHILE, ARGENTINA, and a network of highly skilled partner companies with local strengths in their respective countries, we are capable to represent your interests everywhere in Latin America.

■ What makes us Different

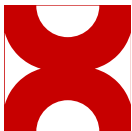

Compliance

We take pride in ensuring the highest standards for your **satisfaction and peace of mind**. Each of our companies diligently complies with **permits, licenses, and insurance** that meets and exceeds local law. Our commitment includes unwavering respect for international humanitarian law and adherence to voluntary pledges. Proudly following international codes of conduct like **ICoCA**, **IFPO**, and **ASIS**, we ensure the highest standards for your peace of mind.

Protective Intelligence

We have a presence in **every major city of Latam** with offices and local staff with foot on the ground spread across the region. Our protective intelligence (PI) department validates **real-time Open-Source Intelligence (OSINT)** with **Human Intelligence (HUMINT)** for our **due diligence** reports. This information is crucial for **planning missions** and monitoring developments in our operational areas throughout our services.

Training

We provide comprehensive training programs for employees and managers, focusing on **duty of care**. Operational personnel undergo training in **Protection Fundamentals**, leading to IFPO's CPO certification. Our offerings extend to specialized training in **Executive Protection** and **Investigation** techniques. We offer NSC's DDC **Defensive Driving** training to ensure safety during transportation. Our operational staff is trained in **First Aid** and Tactical Medicine, equipping our operators to respond effectively to emergencies.

■ Our Mission

Helps Latam is committed to providing unparalleled security solutions across Latin America. Our mission is to provide standardized, cutting-edge security solutions.

We strive to create a secure, stable, and controlled environment for our clients by delivering innovative, reliable, and client-centric security services and upholding the highest ethical standards in the industry.

■ Core Values

01 › Adaptability

Acknowledge the ever-changing nature of security operations, and be open to adjusting strategies and solutions to effectively address Latam's evolving security environments.

03 › Cultural Diversity

Acknowledge and respect Latin America's diverse cultures, traditions, and languages.

02 › Local Expertise

Ensure that security strategies are informed by an in-depth understanding of the geopolitical and socio-economic conditions, and leverage local expertise to navigate the unique security challenges faced in each country.

04 › Client-Centric

Our clients are at the center of everything we do. We tailor our security solutions to meet their specific needs, ensuring the delivery of high-quality and personalized security services.

■ Our Experience

PI

Protective Intelligence

**Currently with
Protective Intelligence
capacities in:**

Our Protective Intelligence services offer a proactive and comprehensive approach to safeguarding your business, assets, and personnel. At the core of our operations is the Regional Security Operations Center (RSOC), strategically located in the heart of Latin America. This hub is dedicated to intelligence gathering through both OSINT (in Spanish, Portuguese, and English) and HUMINT, with agents on the ground in 32 key locations across the region. HELPS Latam RSOC facilitates thorough analysis and critical information dissemination. With our RSOC retainer, companies and executives benefit from monthly reports, continuous monitoring, and exclusive discounts on additional services.

We provide specialized security insights through various reports:

- Security Situational Report (SSR): Offers detailed security insights for specific geographic areas.
- Security Risk Assessment (SRA): Evaluates security risks for facilities or executives.
- Travel Task Brief (TTB): Combines itinerary details with security intelligence for travelers.
- Latam Geopolitical Analysis (LGA): Delivers concise global risk assessments.
- Focused Flash Reports (FFR): Provides immediate, analyst-curated insights on significant events.
